## 1 Mystery Word Fan in a nutshell:

Mystery Word Hunt is an interactive game where players solve clues to discover mystery words that include trigraphs and digraphs. Participants read a clue card, spell the identified word with a letter fan, and colour it on their Mystery Word Answers Sheet. The goal is to uncover and colour as many words as possible within a 5-minute timer, making it both fun and educational.

## 2 Things to love about Mystery Word Fan:

- ✓ It reinforces correct spelling and the structure of words helping students to remember spelling patterns.
- ✓ It builds cognitive reasoning through encouraging the use of logic and deduction to find possible answers.
- ✓ It provides a visual goal (colouring completed words on the answer sheet) which can boost intrinsic motivation and foster a sense of achievement.
